UNIVERSITY OF WOLVERHAMPTON

Your applicant roadmap

Thank you for your application

Attend a selection event

Receive an offer

Meet the conditions

Offer confirmed

Enrolment

STEP 1:
We've received your application and we'll be in touch soon with a decision via email – stay up-to-date by visiting our Applicant Hub, e:Vision, or UCAS if you applied with them.

STEP 2:
If your course requires a selection event before a decision is made, make sure you accept the invite or request a new date via e:Vision, and attend.

STEP 3:
Congratulations – you've been offered a course place! Now you'll need to accept your offer either via UCAS or your e:Vision account if you applied direct, or explore any alternative offers you received.

STEP 4:
Check e:Vision or UCAS to learn the offer conditions you'll need to meet before you can enrol. This may include a DBS or occupational health check, proof of your qualifications/GCSEs, or more.

STEP 5:
When you've met your conditions, your offer will become "unconditional" which confirms your place and could let you enrol.

STEP 6:
Welcome – time to enjoy your studies! Make sure you've completed your enrolment task on e:Vision, have attended one of our enrolment hubs, and attend induction and Welcome Week activities.
